1. Definitions

"Footage Bazaar," "we," "our," or "us" refers to the company operating the platforms footagebazaar.in and footagebazaar.com. "Contributor" refers to a user who uploads videos, footage, or other digital media ("Content") to Footage Bazaar for sale or licensing. "Customer" refers to a user who purchases a license to use Content from the Website. "License" means the right granted by Footage Bazaar to a Customer to use Content under specified conditions. "Royalty" refers to the share of sales revenue paid to a Contributor for each sale of their Content.

2. Ownership and Copyright

All uploaded Content remains the exclusive property of the Contributor. By uploading Content, Contributors grant Footage Bazaar a non-exclusive, worldwide license to host, market, display, and license their Content to Customers. Footage Bazaar acts solely as a licensing intermediary and does not claim ownership of Contributor Content. Contributors must ensure that their uploads do not infringe any third-party copyrights, trademarks, or privacy rights.

3. Royalties and Payments

Contributors receive 50% of the net revenue (after applicable payment gateway fees, taxes, and charges) from each sale or license of their Content. Royalties are calculated monthly and communicated to Contributors on the 30th of each month. Payments are made through bank transfer, UPI, or other supported methods, subject to reaching the minimum payout threshold. Contributors are responsible for providing accurate payment details. Footage Bazaar is not responsible for delays due to incorrect or incomplete information.

4. Content Submission and Approval

Contributors may upload only original Content they have full rights to license. Customers can purchase licenses using UPI, credit/debit cards, NEFT, or other payment gateways provided on the Website. Upon successful payment, Customers receive a non-exclusive, non-transferable license to use the purchased Content in accordance with the license terms. All sales are final.
